

# ***CURRICULUM VITAE***

## **Personal Details**

**Name** : **Seham Al-Abed H. Al-Azreg.**  
**Birth Date** : Nov., 9, 1975.  
**Sex** : Female.  
**Birth Place** : Tripoli, Libya.  
**Marital Status** : Married (with Four kids).  
**Permanent address** : University of Tripoli, Faculty of Vet. Medicine, Department of Pathology and clinical pathology.  
**Telephone number** : 0928621359 (Mobile),  
4631086 (Department of Pathology and clinical pathology)  
**Fax number** : 4628421 (Faculty of Vet. Medicine, Tripoli University).  
**E-Mail** : [alazreg2004@yahoo.com](mailto:alazreg2004@yahoo.com)  
[s.al-azreg@uot.edu.ly](mailto:s.al-azreg@uot.edu.ly)

## **Education**

**University of Tripoli** : **Libya**, B.V.Sc., Aug., 1998 – 1999.  
**University of Veterinary Medicine Hannover** : **Germany**, Dr. med. vet (Doctor of Veterinary Medicine, Veterinary Pathology), 19. May 2010.

## **Professional Experience**

**2000-2004** : **Demonstrator**, Department of Pathology and clinical pathology Faculty of Vet. Medicine, University of Tripoli.  
**2004-2010** : Study abroad “Doctor of Veterinary Medicine, Veterinary Pathology and Veterinary specialist training, “Fachtierarzt ausbildung”  
**2010-2013** : **Lecturer**, Department of Pathology and clinical pathology, Faculty of Vet. Medicine, University of Tripoli.  
**2013- to 2017** : **Assistant professor** of Pathology and clinical pathology Faculty of Vet. Medicine, University of Tripoli.  
**2017-to current** : **Associate professor** of Pathology and clinical pathology Faculty of Vet. Medicine, University of Tripoli.  
**2010-to current** : **Post-graduate study Coordinator**, Department of Pathology and clinical pathology, Faculty of Vet. Medicine,, University of Tripoli., Libya  
**2010-to 2015** : **Head of Department of Pathology** and clinical pathology,

Faculty of Vet. Medicine, University of Tripoli.

**2013-to 2015** : **Vice Dean of the Faculty of Vet. Medicine**, University of Tripoli.

#### Teaching Activities:

**2000-2004** : Practical courses of general and special Pathology for the third year Veterinary, undergraduate Students at Dept. of Pathology, Faculty of Vet. Med., University of Tripoli, Demonstrating slides and leading group discussions.

**2010-to current** : Theory and practical courses of general and special Pathology for the third year Veterinary, undergraduate Students at Dept. of Pathology, Faculty of Vet. Med., University of Tripoli.

: Lectures on Pathology of digestive , nervous systems, renal and respiratory system.

: Training courses of histopathological techniques for students of Medical technology, Faculty of Medical Technology, University of Tripoli.

: Practical courses of general and special Pathology for the third year Medical technology, undergraduate Students, Faculty of Medical Technology, University of Tripoli.

: Teaching courses of Pathology for Post-graduate student.

#### Membership in educational institutions:

- Member of the Interim Council of the Faculty of Veterinary Medicine, University of Tripoli.

- Coordinator of Post-graduate studies in Dept. of Pathology, Faculty of Vet. Med., University of Tripoli.

- Coordinator of examines in Dept. of Pathology, Faculty of Vet. Med., University of Tripoli.

- Member of the Committee for the Development of the Strategic Plan for Higher Education of the Faculty of Veterinary Medicine University of Tripoli.

- Member of the Editorial Board of the Libyan Journal of Veterinary Sciences.

- Member of the committee to accept and choose the number of applicants required to fill the position of Demonstrator in the Faculty of Medicine, University of Tripoli.

Department of Histology.

- Member of the Committee to study the clinical premiums and identify the departments that deserve it.

### Veterinary Medicine continued education and technical workshops:

1. Weekly slide seminar (AFIP-Wednesday Slide Conference) in pathology institute at University of Veterinary Medicine Hannover, Germany
2. Weekly diagnostic journal club in pathology institute at University of Veterinary Medicine Hannover, Germany
3. Course for the preparation of the ECVP (European Collage of Veterinary Pathologists) board exam in pathology institute at University of Veterinary Medicine Hannover, Germany
4. Veterinary specialist training, "Fachtierarztausbildung" (4 month/year) for 5 years in pathology institute at University of Veterinary Medicine Hannover, Germany
5. Membership of the Neuro-pathology working group in pathology institute at University of Veterinary Medicine Hannover, Germany
6. Membership of Modular educational program in Toxicologic Pathology, at University of Veterinary Medicine Hannover, Germany
7. Assessment test "Kenntnisprüfung" (16<sup>th</sup>. January.2008) in pathology institute at University of Veterinary Medicine Hannover, Germany
8. Necropsy techniques, instrumentation, preparation and processing of tissues for histopathology and immunohistology examination in pathology institute at University of Veterinary Medicine Hannover, Germany

### Scientific Meeting and Conferences:

1. Classic Examples of Toxicologic Pathology XIV, ESTP\*/ TiHO\* slide seminar (February 23-24, 2007) at University of Veterinary Medicine Hannover, Germany  
ESTP\*: European Society of Toxicologic Pathology, TiHO\*: Stiftung Tierärztliche Hochschule Hannover
2. Classic Examples of Toxicologic Pathology XV, ESTP\*/ TiHO\* slide seminar (February 22-23, 2008) at University of Veterinary Medicine Hannover, Germany
3. Modular educational program in Toxicologic Pathology, at University of Veterinary Medicine Hannover, Germany
  - 3.1 **Module 1**(10<sup>th</sup> -11<sup>th</sup> October 2008) at University of Veterinary Medicine Hannover, Germany
  - 3.2 **Module 2**(30<sup>th</sup> -31<sup>st</sup> January 2009) at University of Veterinary Medicine Hannover, Germany
  - 3.3 **Module 4**(10<sup>th</sup> -11<sup>th</sup> July 2009) at University of Veterinary Medicine Hannover, Germany
  - 3.4 **Module 4**(21<sup>st</sup> -22<sup>nd</sup> April 2006) at University of Veterinary Medicine Hannover, Germany

3.5 **Module 5**(3<sup>rd</sup> -4<sup>th</sup> May 2009) at University of Veterinary Medicine Hannover, Germany

3.6 **Module 5**(12<sup>th</sup> -13<sup>th</sup> May 2006) at University of Veterinary Medicine Hannover, Germany

3.7 **Module 6**(9<sup>th</sup> -10<sup>th</sup> June 2006) at University of Veterinary Medicine Hannover, Germany

3.8 **Module 8**(29<sup>th</sup> -30<sup>th</sup> January 2010) at University of Veterinary Medicine Hannover, Germany

3.9 **Module 10**(27<sup>th</sup> -28<sup>th</sup> April 2007) at University of Veterinary Medicine Hannover, Germany

3.10 **Module 13**(23<sup>rd</sup> -24<sup>th</sup> November 2007) at University of Veterinary Medicine Hannover, Germany

3.11 **Module 14**(18<sup>th</sup> -19<sup>th</sup> January 2008) at University of Veterinary Medicine Hannover, Germany

3.12 **Module 16**(11<sup>th</sup> -12<sup>th</sup> April 2008) at University of Veterinary Medicine Hannover, Germany

3.13 **Module 17**(16<sup>th</sup> -17<sup>th</sup> May 2008) at University of Veterinary Medicine Hannover, Germany

#### **Computer and Statistical skills:**

1. Basic computing science and multimedia,
2. Image processing using **Adobe Photoshop**. The presentation software by Prezi,
3. Statistical analysis using SPSS, SAS

#### **Communication skills:**

1. Arabic: Mother Language
2. English: Good
3. German: fluent

#### **Publications:**

**1. Seehusen, F.; Al-Azreg, S.; Haist, V.; Baumgärtner, W. (2009):**

Accumulation of extracellular matrix in chronic lesions of canine distemper demyelinating encephalitis.
